This book is being hailed as "a classic", "a master-  
piece", "a must-read" and "a hugely important book".  
The Washington Irish Committee has stated: "It is  
probably the most significant Memoirs in the histori-  
ography of Irish-American nationalism since *Recollections of an Irish Rebel* by John Devoy (1929)."

"The Irish community in Seattle is delighted to welcome  
back Fr. McManus. Over thirty years ago he did so much to  
raise consciousness in this city regarding injustice and op-  
pression in Northern Ireland. And now he has again done us  
all a huge favor by chronicling his struggle in his landmark  
Memoirs. We are proud to host the Seattle book-launch of  
*My American Struggle for Justice in Northern Ireland*'.

– Joe Martin, Community Activist  
Recipient of Seattle's Human Rights Award, 2009

No one has done more than Father Mc Manus to keep the U.S.  
Congress on track regarding justice and peace in Ireland. Indeed,  
I believe historians will record that no one since John Devoy (1842-  
1928) has done more to organize American pressure for justice in  
Ireland.

– Former Congressman Ben Gilman (R-NY), Chairman of the  
House International Relations Committee

Fr. Mc Manus stood out against powerful forces in a fight for justice  
and fairness. I didn't always agree with the causes he supported  
but I admired his persistence, his courage, his relentlessness. And  
admiration that one person, almost alone, could make such impact  
on public policy in the United States.

– Noted journalist and broadcaster, Vincent Browne, Dublin

Fr McManus, from his Capitol Hill office, has been a prominent and  
influential figure in the quest for progress and peace with justice in  
Northern Ireland. His has been a unique role. Long may it continue.

– Ray O'Hanlon, Editor *The Irish Echo*, New York
